Extension of Seamless Summer Meals!

Families,

We understand that accommodations for the Coronavirus are still being made by your families. These accommodations mean changes to work patterns, childcare, and meals. While we are unable to impact work and childcare at this time, we have been able to extend our free meal program through **May 2022** and we are able to offer food services to all families, regardless of economic status, who would like to have both breakfast and lunches prepared for pickup from school.

Fairfax will be preparing lunches for students according to the following plan:

- Families with children not attending onsite:
 - Families who do not have children (ages 0-18) onsite (offsite families) but who wish to take advantage of this program must notify the Fairfax elementary office at 660-686-2421 ext. 2 by 3:00 p.m. on Wednesday 9/8/2021 in order to be enrolled in this program. Please leave a voicemail if you are not able to speak to staff.
 - Once enrolled in the program, meals will be prepared each day for offsite families for whoever is signed up.
 - Only single meals with a choice of chocolate or white milk will be provided. Offsite families must specify which type of milk they would like and the same flavor of milk will be provided with each meal.
 - Offsite families may pick up breakfast between 7:30 and 7:50 each day at the elementary entrance. No breakfasts will be served to offsite families after 7:50.
 - Offsite families may pick up lunch between 10:45 and 11:15 each day at the elementary entrance. No lunches will be served to offsite families after 11:15.
- Onsite Students:
 - Students attending school daily will participate in breakfast and lunch as normal with the exception that all “first” meals and “first” milks will be provided without charge to the family. Extra meals, milks, etc. will still be charged to the student’s account.
 - If your family has already sent lunch money this year, it will be kept on your student’s account until our SSO waiver ends and we must charge for meals again.

For ease of communication here is a summary of the information offsite families need at sign up:

- Names of students who you are signing up.
- Type of milk each student wants with their lunch.

For questions please call 660-686-2421 ext. 2 or email kburke@fxbulldogs.net.

Thank you,

Jeremy Burright Ed.D.
